Pen Pals

A POSITIVE INFLUENCE

Dear *J18*: Long time fan of the honey darlings that take it all off and then some for your illustrious publication. I live in a small town and there is not a whole heck of a lot going on here female-wise. I have a girlfriend and I love her but she has a few miles on her. She will be the first to admit that fact, it's not good or bad it simply is what it is. In fact, she is the one who bought me my very first copy of *JUST 18*, in an attempt to keep things spicy in the sack between us. She said she'd much rather participate in my enjoyment of sweet young gal flesh than have me sneak off and try to procure some on my own. What a woman! Let me tell you, it has worked. I fuck her while flipping through your mag and I bust an almighty nut every goddamn time. Sometimes when things take a wilder turn, I even smack her on the arse with a rolled-up *J18*. Other times I simply close my eyes and imagine the pussy I am wallowing in belongs to one of those little blonde tootsie pop centerfolds spread wide open. Any way you slice it, *JUST 18* has had a positive influence on my love life, such as it is. A man cannot thank you enough.—*Elton in IA*

A GLEAMING INNOCENCE

Dear *JUST 18*: I have always felt myself attracted to women younger than myself. There is something so fresh, so jubilant, so outright delectable about girls aged 18. It is as if they view the world from eyes yet unclouded by cynicism, and for them everything shimmers with the magic of possibility. This enchantment is portrayed by the open expressions worn by the young models in your magazine. Even while in the throes of passion, impaled upon a cock, the young ladies you feature still gleam with a certain innocence. That is why I cannot get enough of your magazine! I snap up new issues as often as I can lay my hands on them. Why oh why do you not publish more frequently? I am not a fan of the internet. Sitting in front of a computer with my dick in my hand seems so depressing. I'd much rather curl up in a cozy chair with a good, old-fashioned magazine, chock full of saucy little hotties being dirty just for me.—*Tim in WY*

THE CLOSEST OF SHAVES

Dear *J18*: The vast majority of your "models" have shaved off all their pussy hair prior to posing naked. What I want to know is, why are there not more photos of the actual shaving process itself? I would really like to see some up close, detailed photographs of a young babe with a nice thick bush either shaving it off herself or else having it shaved off by another young babe (with or

without bush). Maybe a shaving cream fight could lead to a little girl on girl nookie or something along those lines. My god, I am getting an erection just imagining it the awesome spectacle of it.
—Rowland in NV

MAY DAY, MAY DAY!

Dear *J18*: I have a brilliant idea for a photoshoot and I figured I would write in and share it with you. It would be an outdoor shoot, featuring 6 to 8 naked young sluts all dancing a may-pole dance. I

think it would be very sexy to see that many naked young sluts all together at once dancing and skipping and smiling out in the sunshine.

—Leo in WA

JACKING IT TO REAL GIRLS

Dear *J18*: One of my favorite features of porn DVDs is the BTS portion. I don't know why, but somehow it makes me extra horny to see the "real" girls behind the performances. I especially like when there is footage of the girls getting dressed or having their make up done or getting their hair styled. I would love to see footage of them all getting pedicures and manicured before they go on set to get the bejeezus fucked out of them, but I have yet to find a DVD with a BTS portion that contains such footage. Anyhoo, I thought that maybe it would be a sexy idea for a photoset—to capture the models in a BTS manner instead of the well-lit, slick, polished way most porn photosets looks. That's not to say I would like the photographs to be crappy, I would just like the content to seem less staged and more natural, that's all. I always prefer jacking it to "real" girls.—Mike in FL

NAKED ANGELS MUST EAT

Dear *JUST 18*: What do the little naked angels in your magazines like to eat best? They must have favorite foods such as pizza and strawberries which is what I like to eat best. (Although not at the same time!) I wonder if any of them like animals, I have two cats. I would like to invite over for dinner every little angle appearing in all of your magazines from the last six months, but only after I find out what is the favorite food of each. Also if anyone is allergic to cats then she should probably not come over because her sneezing might ruin dinner for the rest of us. I have a big enough table to seat at least 24 naked angels I think, but a few might have to double up and sit on each other's laps. My lap is large enough to comfortably seat at least two naked angles, maybe three.

There would be no clothes allowed at dinner, of course because I would not want anyone to accidentally spill on their cute outfit and stain it. Even if the food staining the clothes is their favorite food, stained clothes are still ruined clothes. I have a lot of ruined clothes. So please send me a list of the names of the angels who'd like to come for dinner and her favorite food and also a picture of her so that I can recognize her when she rings my doorbell. I will prepare the cats for company.—Eric in AL

ARYANA

So, yeah, I've basically been brought up in a barn, so what? All it really means is that I always have plenty of privacy to pat my bunny whenever I want. I've never had to lock myself in the bathroom and tell my mom that I'm just reading or any crap like that. Whenever I get the littlest bit horny I just slip off and have myself in a fluffy bed of hay. The very best part is I can be as loud as I want. So while I stick one finger after the other into my tight, slippery snatch, I sigh and grunt and holler to my heart's content. In fact, the barn is where I gave away my V-card to my friend's big brother on the night of my eighteenth bday. He laid me down and spread my legs and had me on a bed of straw. Next time I hope he does me on all fours. **i18**

A romantic photograph of a couple kissing. The man, on the left, has short brown hair and is shirtless, wearing a thin chain necklace. The woman, on the right, has long dark hair and is wearing white underwear with a pink waistband. They are both looking at each other and kissing. The background is a plain, light-colored wall. The entire image is framed by a thick pink border with a decorative black and white pattern on the right side.

Kami & Nick

When I first started having sex I discovered that everything feels so much more intense when I keep my eyes closed. My whole body becomes electrified and sensitive to the slightest touch. A tongue on my clit feels so outrageously good that I cum immediately and then right afterwards I crave a cock inside me. When I'm that horny, my boyfriend Nick's hard-on becomes like a magic wand that sets off magical tingles of pleasure throughout my pussy. My cunny starts to spasm as he slides his prick in and out, my innermost vag muscles massaging his entire shaft. I can always tell when he's about to blow because he starts kissing my neck like crazy. It excites me to make him so excited, and I make another visit to O-ville. Nick always ducks into my back door real quick before he finally soaks my hot little rosebud with seed.

HORNDOG'S NOTEBOOK

"They called him Mister Horny! Looking for work like so many people these days, he decided to forget his own problems, do something nice for two girls, and they in turn did something nice for him that really picked up his spirits! Something that involved showing him their pussies in action..."

I hate borrowing money, but times were tight and I did what I had to do. Still, I put a limit on what I'd take out in credit card loans, and for a long time I stuck to it. But when I couldn't find a decent enough job to pick up the slack after getting laid off, I had to borrow more.

One Monday, I went over my self-imposed ceiling of not borrowing over ten grand. I deposited a check to myself, 0% interest for eighteen months. It was a depressing day, but I rationalized it was an "investment" in myself and that something would come along and help me get back on the track.

However, this time when I borrowed dough, I decided to at least have one fun adventure instead of denying myself all pleasures in the name of severe thrift. Sure, almost all the money was allotted to my bills and basic expenses, but I figured one erotic exploit was something I could afford...because if I didn't

the Lone Ranger, I come to the rescue and then ride off into the sunset."

"That was supposed to be a sucky movie," said the more reluctant of the girls.

"I have no association with the film, I refer to the hero of the revered series of the 50s. A man who helped others with no expectation of reward."

"Maybe we've met the Phantom Perv?" said Miss Reluctance.

"He wants to buy us the bags!" said Miss Eager. "Let's not abuse a benefactor. Mister," she said, picking up the bag she wanted and giving her friend a different one, "the cashier is over there. Shall we go?"

do it, I might go nuts from all the stress of unemployment.

I was walking around midtown and decided that it might be good to get a couple of new shirts for my job hunt. And then afterward I figured I'd go for a rub-n-tug at one of the local Asian massage parlors. A little reasonably affordable diversion. But as I was walking through the department store on my way to the men's shirt section, I saw these two young chicks ogling some handbags at a designer display. Cute girls, probably only a little past their eighteenth birthdays. A crazy impulse took hold of me. Crazy because I was old enough to be their father, maybe closing in on grandfather status actually. But what can I say? I like the young and the ripe. "Age appropriate relationships" are three words that give me indigestion.

"Ooh, it's so beautiful," one of the girls said, caressing a purse, "but if I buy it I won't have any money left until Daddy sends me my check next month for tuition and expenses."

"Allowances suck," said her friend.

"It's disgusting how they rule our lives, allowances," said the first.

I stood just to the side of them. They saw me, and then I said, gently inserting my presence into their young lives, "Ladies, permit an old man the pleasure of making you gifts of these remarkable bags."

One of the girls was going to pull her friend away, but luckily the second chick was interested in what I had to say. "Are you some kind of freak?" she asked, not fearfully but curious, excited.

"Just a man in search of a cause. It would make me immensely happy to buy you these bags. No strings attached, no names exchanged. Like

I admire the brazenness of young women these days. Whereas in the past this might have been viewed as an exchange of considerable seediness, in today's world the purchase of gifts by susceptible and suggestible men is taken as a kind of due to females of superior quality. I've read about this online: many young gals are more than eager to utilize those who gleefully wish to be plundered. And apparently being plundered gave me some thrill I was hitherto unaware of, because as I purchased the bags for the girls in hard cash I'd withdrawn from an ATM, I could feel a certain moistness in the front of my shorts...

"Come on, mister!" said Miss Eager and Miss Reluctance in tandem, although Miss Reluctance was less so now as she held, caressed, and obviously cherished her new handbag. I had perhaps won her over.

Out on the street, Miss Eager said, "I suppose this is where we part company, if you are a man of your word, full of integrity, all that no-strings-attached bullshit—right, mister?"

"Right," I said, accepting my lonely fate and calculating in the privacy of my noggin how much I'd have to withdraw again to make up for the cost of the handbags and be able to afford a four-handed tug at the Asian spa.

"Well," said Miss Eager, "you're too nice to have to go home by yourself. So come back to our dorm room. If anybody asks, we'll say that you're a visiting family friend, and..."

"And?" said Miss Reluctance, whose signature quality was returning to her face as she looked at Miss Eager.

Miss Eager smiled. "We'll just show him a little appreciation, nothing too extreme but I think he'll be happy!"

On the way over to their dorm, they explained how they loved to show off for guys, but they were tired of doing it for the immature dudes at school, so why not take a crack at a fossil like me? My head spun at the possibilities, at the same time that I realized I probably wouldn't have to head back to the ATM...

Once in their dorm room, Miss Eager laid down the rules. "You can't expect us to handle your weenus, mister, you're just too damn old. BUT...you can handle your weenus yourself, while we give you a show on our bed!"

Show World Center, back in the nasty old days of Times Square, had nothing on my new friends.

Miss Eager directed me to the wall across from the bed, and actually undid my pants and shorts, lowering them to my ankles and then plopping me into a chair. She gave me a box of tissue. "If you need it, Mister Horny," she said, "and we would be very disappointed if you didn't."

These young girls! Eighteen and ready, and oh so fidgety. Exploring the possibilities! The model virgin of yesterday has been replaced by the enthused exhibitionist of today. Wildest of all, these girls are going to be running major corporations and the country someday, and freely boasting about their exploits in their "toss-my-salad" days.

My head was, as I mentioned, swimming, but that didn't prevent my boner from presenting itself rapidly in my churning fist, as I watched Eager and Reluctance strip to their vitals on the bed only a few feet away from me. Whether lesbians for life or merely just-eighteen experimentalists, they quickly latched onto each other and dazzled my eyes. Miss Eager seemed the more aggressive of the two, sucking her friend's face while her hand roamed downward into the already wet crotch of Miss Reluctance. She slid her finger into the glistening trench and moved it around in the noisy, squishy deep. Miss Reluctance grabbed Miss Eager, holding her tightly like a life raft as she immediately seemed thrown onto the stormy seas of her impending orgasm. And she did cum quickly, bucking her pussy on Miss Eager's fingers, and then pulling up the Eager

to cum, and deciding it was only fair that I not overstay my welcome, I blew my load into my hand even as the two babes lay on the bed staring and smiling at me. Showing my appreciation of their hospitality, I wiped up my mess with a handful of tissues from the aforementioned box.

"I bet you won't feel lonely when you're back on the street now, Mister Horny," said Miss Eager.

"My dear, my brain is too drained to feel much of anything but extreme contentment."

"Do you always give gifts to people you don't know?" said Miss Reluctance.

"It was just a one-time thing," I said, reminding myself that such generosity would have to be reined in. "Use the handbags in good health, just like I'll use the memory of this afternoon when I'm whacking off my weenus!"

Both girls laughed, quaking in their nakedness. "Oh, he's funny even though he's old!" said Miss Eager. "How about at least staying for a beer, Mister Horny?"

"A beer!" I said. "Aren't you girls too young to drink in this state?" But even before I finished winking, they popped the top on the first of that night's many, many brews! 

fingers so that she could lick off her own juices.

Meanwhile, off to the side, me and my weenus made happy music together as I jacked steadily to the spectacle before me. "You like it, Mister Horny?" said Eager, turning around to smile at me before diving her face into Reluctance's crotch, as if determined to instantly wring out yet another orgasm from her friend's pie. Although I noted that she spent more than a little time tossing the Reluctant salad.

The girls got into a sixty-nine and the air of the room filled up with their scent as they lapped and probed each other, their increasingly perspiring bodies rubbing closely. Then suddenly Reluctance became more aggressive and urged Eager onto her back so she could have a feast of cunny too. Reluctance dove down between Eager's thighs to nestle in her friend's naked need.

Off to the side, the fresh new handbags lay on the bureau, reminding me of how this fantastic scene came into being. When I looked back at my new acquaintances, Reluctance was mounting Eager's face, pressing her snatch into her friend's mouth and reaching back to stroke Eager's hole. It didn't take long for Eager

When my buddy Dennis offered to give me a massage, I suspected that we were going to wind up boning. His hands gliding over my oiled up skin felt super nice, particularly when he concentrated on my butt. As soon as he rolled me onto my back I knew it was on. He pulled out a little pocket rocket and teased me with it while I got a hold of his pecker and put it in my mouth. Before long he hopped right up on top of me and started humping away. I don't mind mish but I cum harder in doggie so I flipped over and told him to thrust harder. We shifted to standing for better leverage and I came from my clit rubbing against the edge of the table while he hammered me from behind. I heard his breath catch, and then there were warm ribbons of spooge splattering across my butt cheeks. A happy ending was had by all!

LAURA

Ugh, chores are such a bore, but I discovered that if I don't wear any panties, scrubbing the stairs suddenly becomes waaaaay more entertaining. Every time I crouch to wipe a step clean my hem hikes up to expose my fanny full on. Then a cool breeze blows over my bits and I start to feel a special little tickle in my twat. I drop the top of my pesky slip to let my nipples in on the fun. Mr. Breeze makes them both as hard as little pink pearls as the tickle between my legs turns into a throb. I sure could use some internal stimulation, thank god I packed a dildo along with the floor wax! (I've got this whole housework thing down to a naughty science.) I situate the dong just so and lower myself slowly. My fat, pink pussy lips split apart to swallow it whole. Mmmm, maybe I should become a maid.

Eleanora & Daniel

33397

I used to feel kind of weird when I would use a dildo to masturbate with because it seemed like I was cheating on my man with a piece of plastic. But Daniel helped me get over my hang ups about toys. He loves it when I diddle myself with a faux dong, especially if I blow him at the same time. The faster I pound my pussy, the bigger he swells in my mouth. What he loves best, though, is when I pop a gizmo in my keister, too. That's 'cause he's knows that means there's buttsex on the horizon—I never bother to stretch my balloon knot open unless I want to give Daniel balls-deep access behind my holiest of holies. God, that guy fucks like a rock star, but a real gentle one. The sensation of him injecting his load deep inside me makes me cum every time. Cream pie, anyone?

Making it with my girl Kathy always winds up being a wild sex-capade. She's as fun as she is sexy, plus she's the bendiest bitch I've ever met. Seriously, I swear the girl is quadruple jointed. I've eaten her out from every angle imaginable. And it doesn't matter which direction I come at her slit, she tastes sweet as honey each and every time. I swear, she must douche with candy. When Kathy and I hook up, I feel like I could lick her and finger her and fuck her forever. It's so awesome to make her moan that I don't even think about her going down on me. But she always makes sure my va-jay-jay gets the attention it deserves and that I spend my fair share of time in climax city. For reals, that's what I call a good friend—one who doesn't hog up all the O's. With a bestie like this, who needs boys? **18**

Betty Erica & Mark

78 JUST EIGHTEEN

Me and Erica had only been together for a few months before I was, like, totally in love. That girl was giving me the juiciest orgasms of my life and had me hooked! So when she suggested we start inviting boys to join us when we fool around I was none too thrilled. But I was willing to do anything in order to be allowed to suck on her ginger snatch (redheads are my favorite flavor), even if it meant introducing some man meat into my vegetarian lifestyle. So that's how Mark became part of our sexy scene. He turned out to be a real ball and will let us do anything we want to him. And boy, oh boy do I get wet watching Erica ride his baloney pony! Likewise she gets pretty sticky watching me in the saddle. We take turns on him then lick each other clean. So far it's been a pretty satisfying arrangement. **18**

AURIE LEE

I'm trying to learn how to play the guitar. At first it hurt a lot but then I started to build up these little calluses. Now my fingertips are all smooth and hard where the skin has thickened and it feels really good when I rub them along my naked body. It's like I'm touching myself with someone else's hands or something. My favorite thing to do is trace tiny circles around my nipple with one finger while using a different finger to do the same around my clit. If I circle slowly with just the right amount of pressure I can make myself cum like six times in a row. Although I could literally touch myself 24/7, I make sure to let go of my pussy for at least an hour every day so I can grab my guitar and try out new chords. Keeping my digits primed for masturbation is excellent motivation to practice.
